

11/ 21/ 09

To all Blasdell Students and Parents of Students,

We want to announce a new schedule (see below), and new instructors for Blasdell.

Please welcome Senseis Mike and Christine Wittenberg, 3rd and 2nd degrees respectively, as leaders of Tuesday and Friday night classes, with Sensei Lee and Dale Sikorski often there assisting. Shihan Bill Adams will be in from time to time to help or as a substitute. We have combined class times and made them later, and have boosted the number of instructors. The energy will be higher and everyone should get more attention.

Sensei Pete is in charge of Thursdays, Sensei Ray is Saturdays. I hope that all works out well with this new arrangement. Please feel free to email me to comment. or suggest change.

Best wishes,

Bill Adams
